A Notice from the Environmental Foundation of Jamaica

The Environmental Foundation of Jamaica (EFJ) wishes to remind you that effective January 2008, there will only be one Call For Proposals issued by the EFJ each year. For this transition year, 2008, the call will be issued on March 2, 2008 for an 8-week period with a closing date of April 25, 2008.

This call will include ALL EFJ Call Themes as previously advertised in both March and September each year. These are:

Environment:

- Waste Management
- Watershed and Coastal Zone Management
- Biological Diversity
- Alternative Energy Systems
- Community Green Spaces

Child Survival and Development:

- Early Childhood Interventions
- Children in Challenging Circumstances
- Children With Special Needs

Specific focus areas within these themes will be detailed in the official announcement of the call. Please be guided accordingly.
